

***IMPORTANT INFORMATION ***

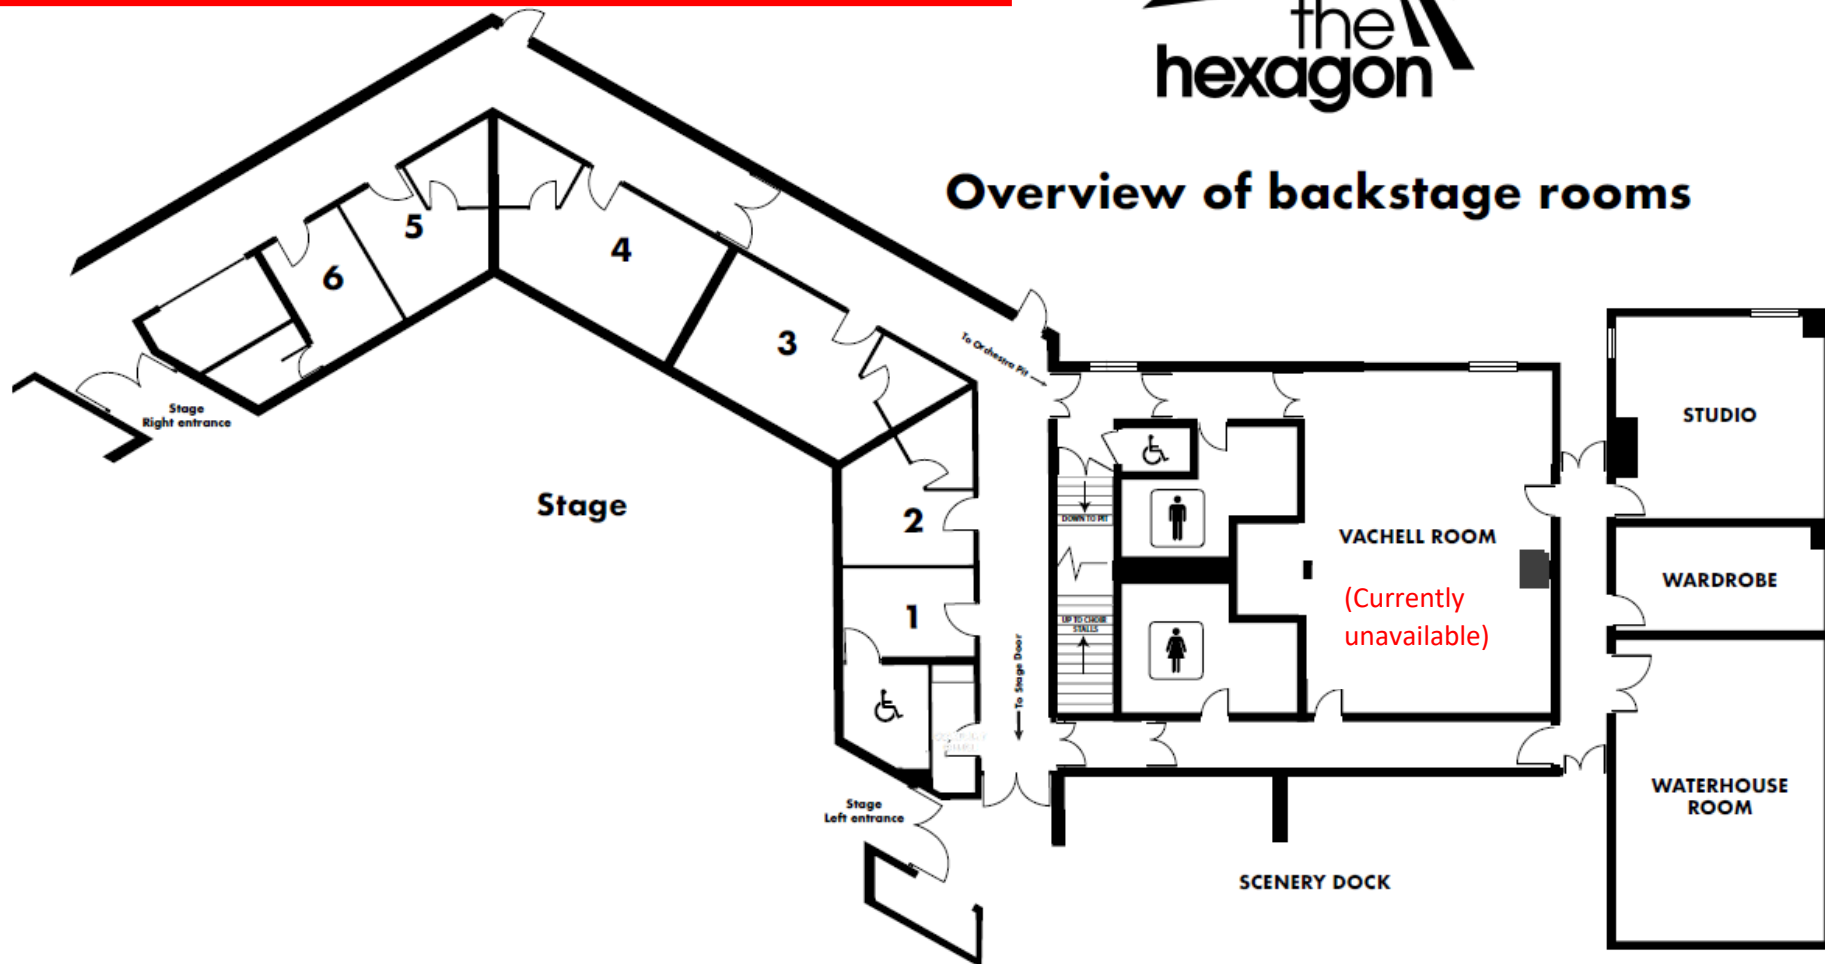

The Vachel Room (Green Room) is unavailable as of September 2023

In addition, building works are scheduled for 2024/2025 which will affect the facilities available. As of August 2024, the get in will be relocated to the rear of the building with limited parking spaces available. Wardrobe, Green room and toured catering spaces will be hosted in temporary facilities on site. A full tech spec will be available nearer the time.

The auditorium, seat capacity and main dressing rooms will be unaffected and the Hexagon will continue to programme and present events as usual for the duration of the works.
