

# Colourful 3D Christmas Trees

## Materials needed:

- Printable template (see next page)
- Coloured paper or card
- Star foam stickers
- Scissors
- Glue
- Tape
- Cocktail stick
- Embellishments - stickers, pom poms, sequins, gems

## Instructions:

- Print the template on 3 sheets of coloured paper or card.
- Cut out the six trees.
- Fold each tree in half.
- Glue one of the folded halves of a tree, then attach another folded half onto it, aligning the pieces together.
- Glue the two ends together to form a 3D tree.
- Peel the backing off one foam star and place the cocktail stick onto it. Then peel the backing off another foam star, stick to the other over the cocktail stick end.
- Put the stick down inside the tree and glue in place.
- Decorate your tree by adding any embellishments you like.
