

Make your own lolly stick Cinderella

Materials needed:

- 3 large lolly sticks
- Glue
- Light blue paint
- Coloured paper
- White paper
- Scissors
- 2 small googly eyes
- Coloured markers
- Cinderella Template
- Hole punch

1. Glue the lolly sticks to make a triangle. Leave to dry. Then paint light blue.
2. Using the template, trace each part onto coloured paper and cut out.
3. Now build your Cinderella craft - glue each piece in place.
4. Add her googly eyes, nose and mouth.
5. Use the coloured markers to add details like rosy cheeks and ruffles on the dress.
6. Also add pearl earrings by using a hole punch on white paper.
