

# Make your own lolly stick Prince Charming

## *Materials needed:*

- 3 large lolly sticks
- Glue
- White paint
- Coloured paper
- White paper
- Scissors
- 2 small googly eyes
- Coloured markers
- Prince Template

1. Glue the lolly sticks to make a triangle. Leave to dry. Then paint white.
2. Using the template, trace each part onto coloured paper and cut out.
3. Now build your Prince Charming craft - glue each piece in place, onto the white cape.
4. Add googly eyes.
5. Use the coloured markers to add nose and mouth details on his clothes.
