

Reading, part of the Great West Way®

Reading sits at the heart of the Great West Way, a multi-modal route from London to Bristol, which can be travelled by bike, road, rail, canal or on foot, making it the first of its kind. Reading is a great base from which to explore the route and has lots to offer in its own right; from Reading Abbey – the burial place of King Henry I of England to splendid stretches of the River Thames, a wonderful open-air Lido, great museums, luxurious places to stay and the region's best shopping and open-air dining. Explore Reading as part of a road, rail, hiking or boat trip or just base yourself here at one of our great hotels and make the most of the 500 miles of navigable routes along the Great West Way.
